**EDITORIAL POLICY**

Latin American Journal of Physics Education (LAJPE) is a peer-reviewed, electronic international journal for the publication of papers of instructional and cultural aspects of physics. The content must not have been published or accepted for publication elsewhere, and papers must not be under consideration by another journal. This journal is published quarterly (March, June, September and December), by the Latin American Physics Education Network (LAPEN) and the Institute of Science Education. Manuscripts should be submitted to boubarkic@gmail.com or lajpe@lapen.org.mx. Further information is provided in the "Instructions to Authors" on www.lajpe.org.
